### Special Procedures for June 8, 2022 Air Quality Control Board Meeting

**Attendance:** In response to the Governor’s declaration of a Public Health Emergency on March 11, 2020, and all public health orders and declarations comprised of local orders entered thereafter, as set forth in the City of Albuquerque, Office of the Mayor Timothy M. Keller’s Thirty Second Declaration of Local Emergency Due to Novel Coronavirus COVID-19, signed on May 12, 2022, including but not limited to paragraph 8, ordering that “Albuquerque residents are highly encouraged and strongly advised to continue to embrace social distancing protocols.” The Air Quality Control Board meeting on Wednesday, June 8, 2022 will be held via Zoom video conference.

The video recording of this meeting of the Air Quality Control Board will be available at the City’s Environmental Health Department website at <https://www.cabq.gov/airquality/air-quality-control-board>. Staff are available to help members of the public access meeting recordings during business hours. Please call (505) 768-2637 for assistance.

**Public Comments:** The Air Quality Control Board will hear public comments during the meeting as provided in the Agenda below. When asked who would like to speak, use the chat function in Zoom to message the Air Quality Control Board Liaison, Stephanie Apodaca. If you are calling in to the meeting, verbally state your desire to speak when asked who would like to speak. You will be called in the order that you either messaged the Board Liaison or verbally indicated your desire to speak. Public comment will be limited to 5 minutes or less, depending on the number of commenters. Your time will start when you start speaking and the meeting's Chairperson will let you know when your time has concluded. Additionally, you can email comments to the Air Board about specific agenda items to [seapodaca@cabq.gov](mailto:seapodaca@cabq.gov) up until 2 hours before the Air Board meeting.

Any disruptive conduct may result in removal from the Zoom meeting room.
