Project No: **Project# 1009195**
Hearing Date: 05-15-12
Closing of Public Record: 05-15-12
Date of Decision: 05-29-12

STATEMENT OF FACTS: Kathleen Loudermilk, agent and architect for Vermeer Sales Southwest request a conditional use to allow a 28'x 45' concrete wash pad for washing tractors and tractor equipment in a SU-2/IP of SU-2 Zone. Vermeer Sales southwest has owned the property since the fall of 2011. Ms. Loudermilk testified that her client will be washing and cleaning farming equipment and general tractor equipment at the rear of the rear of the property located at 9005 Washington St NE. The power source will be a portable power washer that will clean the equipment and drain into an underground inlet that will separate the oils and solid material. The requested use will not be injurious to the public, as it will be located away from the general public to defuse any potential problems that may occur. Ms. Loudermilk submitted detailed construction plans showing the wash pad slopping to a drain inlet with an underground solid and grease separator tanks that are tied into the city sewer lines. The solid separator tank was previously approved by the City of Albuquerque Hydrology Department. Ms. Loudermilk does not feel that this request will be harmful to the surrounding structures or activities. There are no letters of opposition in the file, nor were there any objections at the hearing. The yellow signs were also posted.

Based on all of the testimony and a review of the entire file, it is determined there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this request complies with Section 14.16.4.2.(C). 1., for the granting of a conditional use upon a finding that the proposed use will not cause injury to the neighborhood, adjacent property or the community, nor will it be damaged by surrounding structures.

DECISION: Approved.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

A Building Permit must be applied for at the Building Permit Desk which is located at the Plaza del Sol Building, Ground Level on the east side of the lobby.

If you wish to appeal this decision, you may do so by 5:00 p.m., on June 13, 2012 in the manner described below:

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
