

# APD update 21-13

January 27, 2023

Starting in 2020, APD began purchasing the Blue in color Ford Exploders. To date, we have received approximately 190 Blue Exploders that have all been dedicated to field Services Bureau. Future orders will remain blue, as per Chief Medina.

## DENIED

Costs to vinyl wrap a car is approximately \$5,000 each. The expense of purchasing vinyl wraps for the rest of the fleet would be a significant financial burden.

The current plan, with the City of Albuquerque Fleet Management is to remove the vehicles based on age and service, with new vehicles as they come available, thereby balancing the patrol functionality of officers.
