

## APD update 18-02

January 27, 2023

The APD Academy has been in coordination with the APD TEMS unit to facilitate and ensure Nasal Naloxone training for departmental personnel. The TEMS unit coordinates with the NM Department of Health to obtain Naloxone Rescue Kits and subsequently provides training to department personnel as the kits are made available. The TEMS unit provide Naloxone training to department personnel in 2021 and is currently developing plans to provide additional training in the 2023 calendar year as they receive additional Nasal Naloxone from the state.
