### CODE OF CONDUCT

*Be respectful. Focus on topic. Don't interrupt. Be concise. Speak with good intentions.*

#### Foothills Board Members

Jeanne Hamrick, Chair

Lynn Thompson, Vice-  
Chair

Barbara Lee, Secretary

Linda McLaughlin

Anthony Rael

Keith Hopper

Brandon Kaiser

The Foothills CPC recently submitted two recommendations to the city.

1. Homicide and shooting data tracked manually and is updated after each occurrence and can be presented at any time.
2. City of Albuquerque Parks and Recreation to install new lighting and maintain old lighting on the bike/walkways at Singing Arrow Loop around Singing Arrow Park.

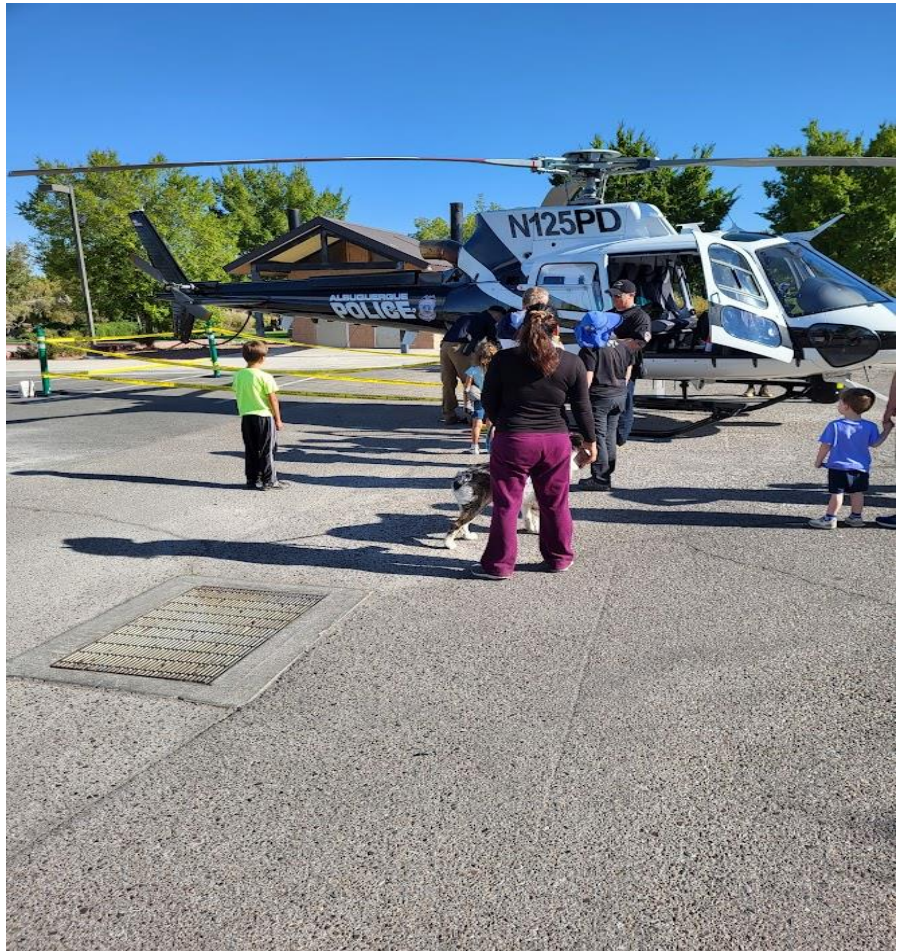

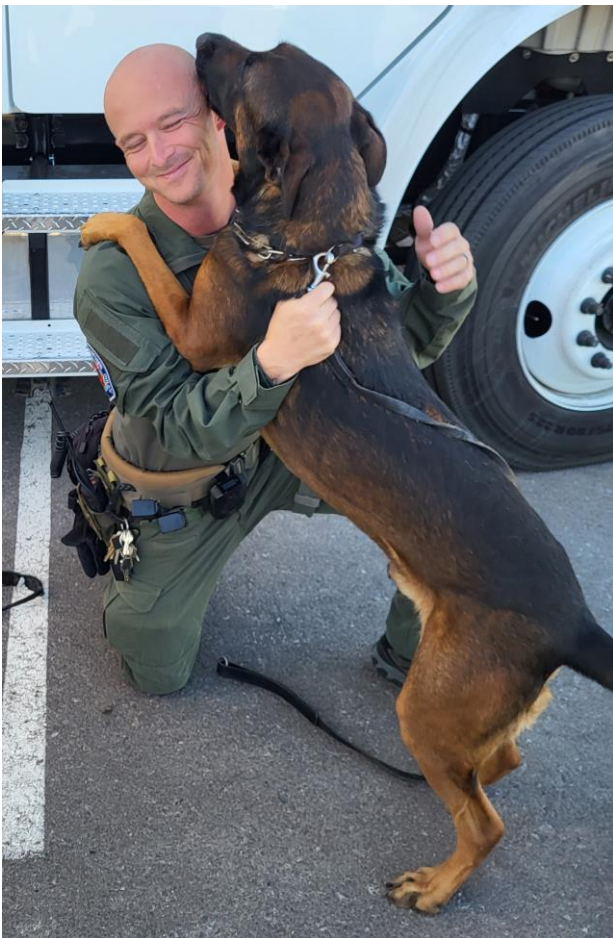

At our last meeting we heard from Councilwoman Renee Grout that \$300,000 has been set aside to improve the children's park. It is in the process of being contracted out and hopefully be completed by summer of 2024.

It was also brought out by an attending citizen what we can do to get changes in the laws to help protect citizens more and keep criminals in jail until trial.

We will hopefully be able to give specific information on how citizens can do this at future meetings.

The September 30 event at Domingo Baca Multigenerational Center was a success. APD was represented by the SWAT team, the bomb squad, bomb-sniffing dog, the horse patrol, the helicopter, and several other officers.

Kids and adults enjoyed the event. Representatives from several Community Policing Councils were present and talking about the CPC in various areas of the city. We had a tent where we handed out some swag and brochures. We also obtained several signatures of people interested in the CPC which will be forwarded to the CPC in the area they live in.

## EVENT/MEMBERS ATTENDED

## EVENT/MEMBERS ATTENDED

Coffees/Meals/Pizzas with a Cop	16	Foothills APD Touch a Truck	5
CPA Alumni Meetings/Events	17	Attend Area CPC Meetings	7
