Recommendation from Foothills Community Policing Council to Albuquerque PD

4/16/24

## **Regarding: Organization Chart Updates.**

Issue:

Recommendation:

Background:

As part of CPC Policy Reviews, community volunteers rely on the organization charts posted on the department's internet page linked to the department's main page ([www.cabq.gov/police](http://www.cabq.gov/police)). The charts help volunteers understand SOP changes being proposed.

The Recommendation:

Public facing Organization Charts should be updated at least monthly and the date of last update included on each page. Organization charts displayed should replicate the official charts used internally as nearly as possible.

A recommendation was made regarding the number of vacant lieutenant positions only to learn that all of the positions had been filled or eliminated. The organization charts were out of date in at least January, February and March. The charts are dated September 2023.
