Notes/Fees related to each Lethality Assessment

DALE

- **Pay for Dr. Campbell & Dr. Hilton (Odara) a fee to create a tool specific to NM
 - *Build lethality assessment from recommendation and or to the needs of the city/state i.e. having strangulation, suffocation, sexual assault.
- Commission will need to build a LA upon recommendations

ODARA

No funding or cost associated

Training is done online at persons own pace with existing curriculum

LAP 2.0 MNADV

Statewide fee \$7,500.00 per year

If a LAP implementers already exist the Statewide fee is \$7,500 annually, Multi-Jurisdictional \$5,000 annual and Single is \$2,500 annual.

VAWA funding is what led New Mexico to use this Lethality Assessment such as Valencia and Santa Fe.

Commission does not need to build curriculum as its already existing online and can be done in person.
