THE NUMBERS

Interns hired: 131

Internship sites: 52

Total hours worked: 20,262

Total wages: \$243,147

HIGHLIGHTS & ACCOMPLISHMENTS

JMP PROMO VIDEOS

One Albuquerque Media created promo videos highlighting interns and supervisors at three of our internship sites. View the videos at cabq.gov/jmp.

FINANCIAL EMPOWERMENT

We teamed up with Bank On Burque to provide in-person and virtual financial empowerment classes at interns' orientation and throughout their internships. We look forward to expanding this series next summer!

INTERN AND SUPERVISOR TESTIMONIALS

"I enjoyed bringing nature to kids who may not have experienced a hike or walked through a sunflower field. Helping to be a part of there nature discovery is truly priceless." - City Open Space Visitor Center Intern

"It was very fun, and I enjoyed coming every day, everyone was very nice and I liked getting to work with people my age." - North Domingo Baca Multigenerational Center Intern

"I was very impressed with the young people that I worked with, they have a great ability to adapt to the job and learn so quickly [...] Job Mentor Program is a wonderful start for young people and a great tool to recruit for future employees for the City of Albuquerque." - North Valley Senior Center Manager

"We always have an excellent experience with the JMP. This year, we had 5, which concerned us a little AT FIRST, but I would GLADLY take that many again. We were able to settle in pretty quickly and provide a wide variety of tasks, from customer service to data entry to artistic projects. I hope the interns enjoyed the experience as much as we enjoyed having them." - South Valley Library Manager
