

09/20/2023 Medical Control Board (MCB) Minutes

Dr. Kim Pruett called meeting to order @1600

Attendees: Dr. Kim Pruett, Dr. Ian Medoro, Dr. Dorothy Habrat, Dr. Gurujot Khalsa, Dr. Whitney Barrett, Dr. Jaime Aagaard, Deputy Chief Chris Ortiz, Zach Potts AAS, BCFD EMS Captain David Lujan, BCFD Chief Robert Gallegos,

Motion to approve agenda by Dr Medoro second by Dr. Habrat
Motion approved with no corrections

Review of March minutes and motion to approve minutes – amend where it says UNM to say BCFD when Dr. Habrat was discussing guidelines and pitocin

Hospital Systems Reports

Lovelace- nothing to report from Dr. Lahr. Dr. Netteshiem will likely replace Dr. Lahr once application is approved by CABQ

VA- Dr. Aagaard-requiring masks in the ED.

Presbyterian- Rust will go live in November with a 24/4/365 with their Cath Lab. They will be doing a soft roll out but they are advised not to do that with EMS and they agreed. No other changes for now.

UNM- Dr. Habrat- Nothing new to report, Merger with Sandoval and UNM should not affect this group or EMS operations.

PAC Report- Chief Ortiz:

No major updates. ER at UNM requested for a triage document. We are working with our partners to try and come up with something all will be happy with. Talked about adding statement to guidelines regarding following manufacturer recommendations for pediatric use for the AED's used in our system

Old Business

MDC Update-working on a significant event protocol to make sure an MCI can be worked through fully with UNM treatment and the MDC staff. UNM has a morbidity committee reviewing inmate transfers.

New Business

- A. **Sobering Center discussion- trying to get VS and feedback on developing an acceptance criterion for their RFP.**
- B. Motion to update the pediatric cardiac arrest guideline for stand alone AED's to follow manufacturer recommendations. Second by Dr. Medoro

i. Motion Passes

- C. Status of Applications-Everyone is overdue for appointment. All applications have been sent out so please get them in.
- D. State scope of practice updates have been approved by MDC, now awaiting judicial process until they are officially put into practice.
- E. Guideline Updates for next year-Simple discussion to have PAC to advise for any updates needed.
 - a. BCFR-is using 4mg in 250cc's and wanted to see if there was a better way to get to the max dose wants to update the dosing guideline.
 - b. ROSC to transport to a core facility in the guideline to include Rust
 - c. Toradol formulary guideline

Public comment:

Adjournment

Motion to adjourn by Dr. Khalsa second by Dr. Medoro.
