

Community Connect

DOWNTOWN

SECURITY CAMERA GRANT PROGRAM

program summary

The Community Connect Downtown Security Camera Program offers funding to help property owners purchase and install security cameras that connect to the Albuquerque Police Department's Real Time Crime Center (RTCC). Applications are accepted on an ongoing basis until funds run out.

There is \$500,000 available through the program, and the City can grant up to \$20,000 per property. Properties must be located within the boundaries of the Downtown Metropolitan Redevelopment Area, and applicants may apply for one grant per property. Property owners with multiple properties may receive up to three individual awards.

requirements

- The applicant must be the property owner. Lessees seeking to apply must do so with the property owner as co-applicant.
- The property owner shall provide proof of ownership (Deed) and complete the City's modified W-9 form (available on our website).
- The property must have active broadband internet in place to be eligible.
- Applicants must be eligible to apply for funds by completing an eligibility application.
