Proposals shall be bound and limited to a maximum of fifteen (15) pages (single sided) excluding the introductory letter, any applicable agreement and insurance certificates, the title page, the table of contents, dividers between categories, and the front and back cover/binder pages. Since this is a Federally funded project, respondents must provide their Unique Entity ID for verification of status on the SAM.gov website. All other 8 ½" x 11" pages shall be numbered. Any 17" x 11" pages shall be numbered as two pages. Drawings on 24" x 36" sheets shall be numbered as four pages. Font size no smaller than

10 point shall be used. Respondents must also provide an electronic copy of their proposal in PDF format in their sealed proposal. Any proposal received without a digital proposal in PDF format will be considered non-responsive. Your proposal should be as clear and concise as you can make it and still provide the Selection Advisory Committee with information addressing the requirements in each of the first five categories stipulated above (you do not respond to Category VI). Proposals longer than the specified page limitation will be rejected and will not be evaluated. The individual signing the proposal and any other submitted document on behalf of a legal entity shall be a New Mexico registered professional Architect.

If any significant text detailing any aspect of the current project, prior consultant projects or the consulting firm is found on any page not normally counted as part of the maximum page limitation, that page may be considered to be part of the respondent's proposal and may be counted as part of the maximum page limitation, as determined by the Administrator.

Selection of qualified professional firms and/or persons will be pursuant to the provisions of Section 14-7-2-1 et seq, of the Revised Ordinances of Albuquerque, New Mexico, 1994. The Selection Advisory Committee meeting to determine recommended selections will be held via email at least two weeks after receipt of the proposals. All proposals submitted will contain a completed Pay Equity Worksheet PE10-249 and shall contain a fully completed and executed "Agreement and Insurance Certification" form. Proposals not containing the fully executed "Agreement and Insurance Certification" form shall be non-responsive and shall not be considered for evaluation. Copies of the Pay Equity Worksheet, the Standard Agreement that shall be used for the project and the "Agreement and Insurance Certification" form may be obtained from the City website by searching for Agreement and Insurance Certification.

For those projects which are federally funded, the selected firm and/or persons will be required to comply with the applicable federal requirements including those relating to Equal Opportunity in Employment.

Basic Services compensation for those firms and persons who are selected to provide services for the listed project will be negotiated in accordance with Section 14-7-1 et seq, of the Revised Ordinances of Albuquerque, New Mexico, 1994, entitled "Compensation for Services of Consulting Engineers, Architects and Landscape Architects."

Responses received pursuant to this advertisement may constitute public records of the City of Albuquerque subject to disclosure to any interested party under the Inspection of Public Records Act (Section 14-2-1 through 14-2-3 N.M.S.A. (1978)). A responding firm and/or person submitting a response believed to contain "trade secrets" within the meaning of Section 30-16-24 N.M.S.A.
