The Metropolitan Parks and Recreation Advisory Board was established to keep itself informed of city parks and recreation needs and to serve as a forum for public discussion. The MPRAB encourages the greatest use of parks and recreation programs including cooperation with other agencies and organizations which are involved in providing recreation services for the public good. The MPRAB recommends to the Mayor policies for overall development of the park system. The MPRAB represents the community at large and not any specific recreational organization.

If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter, or any other form of auxiliary aid or service to attend or participate in the hearing or meeting, please contact the Parks and Recreation Department staff liaison at least one week prior to the meeting or as soon as possible. Public documents, including the agenda and minutes, can be provided in various accessible formats. Please contact the Committee liaison at the Parks and Recreation Department at (505) 768-5300 (Phone/Relay) if a summary or other type of accessible format is needed.
