

4H Park & Albuquerque Indian School Cemetery Action Plan

1

Share information and history about the Burial Site in 4H Park

2

Engage in direct, government-to-government tribal consultation with tribes/pueblos most directly associated with the site to get their input and recommendations on the future of the site, including: Navajo, Zuni, Apache Tribes, The Ute (Southern and Ute Mountain) Tribes, Hopi and Pima (Salt River Pima - Maricopa Indian Community) .

3

Engage with other Native American community organizations and Native American leaders that are interested stakeholders to get their input and recommendations on the future of the site

4

Seek other input from the Albuquerque community

5

Implement recommendations
