YOC

Cal Lanouette: Introduced himself. He mentioned that he met with Dave and they went to LA and BFP. BFP was added to the YOC. Sun Country Jr Tour PDS is a good event. This event will be held at ADO on July 5th and 6th and LD, LA June 29.

Concessionaire Comments

Colby Reddoch of Los Altos – Colby was not in attendance but Karla would speak on his behalf: PGA Jr League was going to restart due to a new coach coming on board.

Tony Hildago of Arroyo Del Oso- Nothing to report but the courses are looking nice, greens look good at ADO. Tee times booked up through 5:30. Need more carts at PDS as there are 2 leagues back to back, but don't have the storage space for them.

Golf Advisory Board (GAB) Member Comments

Mark Holman reported: Grass on #2 needs more water. Can you cut trees now rather than in the winter? Greens in great shape. David explained that there have been 10 new trees planted and the city is using a tree plotter to inventory all trees in parks and rec dept. They will be using a Smart Use Data System to document water use and move the irrigation accordingly.

Regine Dubay reported: There is some improvement at PDS, greens look good but there are some concerns on some dead trees. Parking lot was to be done 2 weeks ago. David explained that they have to coordinate with DMD. It will be \$150 K for a full fix and will do ½ the lot then the other half.

Dan Turnham reported: Patchwork of road looks much better. It looks like the mower is gouging the greens in places. Members asked about shade structure in parking lot.

Cal Lanouette – Met with Dave, David and marketing mgr. to work on Youth on Course. Those rounds are not currently being reported so need to be added to report. Balloon Fiesta is also used for YOC. Gave dates of upcoming tournaments.

Tommy Borst reported: Spoke about the accuracy of the cards. Measured them himself and they are within 3 yds. Forward tees have not been done yet. Saw brass button on greens and was told of Lontrell application – a post emergent chemical. Some trees on #6 at LD need to come down. Stone markers on #15 held up with rope. Ken Mathis of Alpha Building Design will replace free of charge if he can advertise. Lots of crime in parking lot. Police impact team is going to look at this.

Karla DeGroft reported: Thought greens were in good shape. Had questions on the card readers not working at LA and if it was just a software issue. Did the phone numbers change at the club houses? Yes, Analog lines ported to VOIP. Messages on old lines gives the new phone numbers. Glad to see potholes filled. There're lumps in front of the greens on the 2nd cut. Will be sodded by stripping down behind #8. Reported the club house was looking good.

Deb Thrall reported: Confirmed that Ladera's drainage problem was being fixed as they had to remove some concrete. Asked about when signage will go up on the fences and was told it's still waiting on management signature. Asked about posting of minutes and was told they needed signatures on minutes. Discussed sending signatures electronically as we are now almost a year behind on posting. Discussed posting agenda 72 hrs. prior to meeting as per open meeting act as those don't need a signature.

Old Business

Rates – Karla moved and Mark seconded that the regular rates stay the same with no increase, that the 9-hole rates should be half price of 18 holes at PDS and ADO and the Executive course

should be less at LA and LD. It was suggested that LA and LD be \$13.50. Concessionaires like the rates as they are. Copy of rate charts were read. Need to add disc golf rates. The rate charts at the courses need to be revised to reflect the new price of 9-hole rate. Junior pay 50% of regular rate and Seniors pay 75%. The board decided that Tony and Dave and Mark will bring a schedule of rates for the board's consideration to the July Board meeting, so the motion was tabled until we have more data.

Senior/Youth Representatives- Dave has not received any calls back from constituent services regarding, Helen Maestas at 505-768-3322.

Women's City Championship – Karla said that registration had opened. Deb talked about the charity, sponsorship, and how the whole board could help with getting support.

New Business

Golf Etiquette/Education will be added to the next month's agenda as we are getting some golfers who don't know anything about the game.

GAB Members Notes –

Meeting adjourned at 4:42 pm – Karla Motioned, Dan second

Next Meeting will be held at Ladera: 7/21/2022
