OF PARKS AND FACILITIES**

1. Type of area or facility (Park, Building, Pool, etc.):
_____Park_____

2. Location:
Running Water Cir SE, Albuquerque, NM
87123_____

3. Suggested Name:
_____Barsis-Mickelson Memorial Park_____

4. Please explain why you are requesting this name/name change:
__The Four Hills Village Association was asked to rename the park located on Stagecoach Road in Four Hills Village. It was suggested to rename the Four Hills Village Park after two individuals who helped make Four Hills Village the best neighborhood within the City of Albuquerque. Councilor Don Harris will be asking the City Council to pass a Resolution to name the park in both Mr. Roger Mickelson and Mr. Ed Barsis's honor.

Both Edwin (Ed) Barsis and Roger Mickelson were very well known for promoting Four Hills Village in the Albuquerque Community. Both wanted the best for FHV; whether it was improving the roads and grounds or security issues. Ed and Roger fought hard to protect Four Hills Village's one way in and one way out by opposing access routes through FHV when the neighborhoods arose directly west of FHV as well as the proposed development directly east of FHV which requesting access through the open space and down Stagecoach Road. This increase of traffic would have doomed FHV into becoming another run of the mill neighborhood like so many within the City of Albuquerque. Their actions in working with the City Staff has helped to keep FHV the gem of the SE quadrant of Albuquerque.
