Required Attachments for All Applications

1. Attach a vicinity map showing the distance requested above.
 - Identify the distance in feet to the nearest school or child day care facility. _____
The cannabis cultivation licensed premises cannot be located within 300 feet of a school or child day care facility unless a conditional use is approved, IDO Section 14-16-4-3-(E)(2)(c).
 - All map measurements must be straight line distances.
 - The distance will be measured from the nearest point of the property line of the cannabis licensed premises to the nearest point of the property line of the school or child day care facility.
2. Attach an odor control plan.

Applications without these attachments will be rejected.

I hereby acknowledge and understand that I am required to comply with the City of Albuquerque Integrated Development Ordinance (IDO) and that my legal responsibilities include but are not limited to the following requirements:

- IDO Section 14-16-4-3(E)(2)(d): Except as specified in Subsection (e) and (g) below, all activities in this use must be conducted within the fully enclosed portions of a building unless a Conditional Use Approval is obtained pursuant to Subsection 14-16-6-6(A) to conduct specific activities outside of the fully enclosed portions of a building.
- IDO Section 14-16-4-3(E)(2)(e): An incidental storage area is allowed outside of the fully enclosed portions of a building, but must be screened from view from each property line as described in Subsection 14-16-5-6(G) (Screening of Mechanical Equipment and Support Areas).
- IDO Section 14-16-4-3(E)(2)(f): An odor control plan, approved by the City, is required pursuant to Subsection 14-16-6-5(G) (Site Plan – Administrative), Subsection 14-16-6-6(I) (Site Plan – DRB), or Subsection 14-16-6-6(J) (Site Plan – EPC), as relevant.
- IDO Section 14-16-4-3(E)(2)(g): In any Mixed-use zone district, this use shall not exceed 10,000 square feet of gross floor area, and all activities shall be conducted within the fully enclosed portions of a building.
