# 2024 APD MONTHLY CRIME STATS

OCTOBER 29, 2024

# CRIME STATISTICS DISCLAIMERS

- The Albuquerque Police Department (APD) reports crime statistics using the Federal Bureau of Investigation's (FBI) National Incident-Based Reporting System (NIBRS)
- APD sends NIBRS data to the FBI on a regular basis based on the data that is available at the time
- These statistics should be viewed as preliminary and subject to change to account for late-reporting, investigation updates, and NIBRS compliance
- These statistics may differ from future reports as they represent the data available from Mark43 as of 10/29/2024
- Months and Year are based on the Offense Start Date
- All stats are NIBRS-based counts of offenses documented in reports
  - Homicide Offenses include 09A, and 09B, it does not include 09C (Justifiable Homicide Offenses, which is not a Crime)
  - Includes both Completed and Uncompleted Offenses
- Percent changes are based on YTD comparisons vs same period in previous year
- 2024 is a leap year and includes an extra day in February
- Created by the APD Records Division on 10/29/2024
