INTERNAL AFFAIRS PROFESSIONAL STANDARDS DIVISION
STATISTICAL DATA FOR THE MONTH OF
October 2024

Internal Affairs Professional Standards (IAPS) is responsible for receiving and investigating allegations of misconduct made against the Albuquerque Police Department's employees. The IAPS Division ensures a thorough, impartial, and prompt investigation of allegations to implement transparent fact finding processes and take corrective actions against the employees if investigative findings are sustained. IAPS investigate cases according to SOP 1-62: Internal Affairs Professional Standards (IAPS) Division. For more information on APD's Standard Operating Procedures, see: <http://public.powerdms.com/COA>.

The purpose of this monthly report is to provide the City administration, APD executive staff, the City Council, Civilian Police Oversight Agency Board and the residents of Albuquerque with the outcomes pertaining to IAPS Investigations. This report provides details on the investigations opened, completed, investigated by Area Commands, pending cases, and the average time taken (days) for case completion. However, this report excludes the misconduct cases that originate from force investigations, given that these are investigated by Internal Affairs Force Division (IAFD). It also provides data on cases with sustained or Sustained Violations Not Based on Original Complaint (SNBOOC) findings along with the discipline imposed. The report also includes information pertaining to the SOPs that were reviewed in completed investigations during the month.
