

Blockwise - Executive Summary Report

Perception of Safety-48% of respondents indicated they felt mostly safe or completely safe. The survey continues to enhance access to the community beyond residents who engage APD by reporting incidents of crime. 74% of respondents indicated they had not been the victim of a crime in the past six months.

Over 1,200 open text comments exist in the feed. These range from general themes to specific locations and issues being identified. Homelessness is the top area of concern across the city as a whole. This is the primary concern in each area except the Southwest area.
