PSA—JACOB LUCERO

Police Service Aid Jacob Lucero is currently assigned to the Downtown Unit. Jacob has a positive attitude and admirable work ethic he goes above and beyond providing assistance to our police officers and engages with community members. He is diligently seeking ways to proactively assist in any way he can.

In his role, Jacob went above and beyond assisting a disabled combat veteran who lost both legs in Afghanistan. The veteran contacted our substation, requesting to deliver two boxes of donuts for recognition on Jacob efforts.

Great Job Jacob!

Message From Chief Harold Medina

Message from Chief Medina

I hope everyone is enjoying the end of the summer. We are gearing up for National Night Out 2024 which helps promote police and community partnerships while showcasing neighborhood comradery.

I encourage you to attend one of the nearly 100 gatherings scheduled throughout the city and enjoy an evening with your community. The full list of locations can be found at <https://www.cabq.gov/national-night-out>.

POLICE - COMMUNITY PARTNERSHIPS

As for crime fighting we've had several successful operations throughout the city from bus stops, to warrant roundups and bait cars.

Our Proactive Response Officers have been doing a great job tackling ongoing issues in different areas of the city, locating repeat offenders and are putting together operational plans to address crimes trends they are seeing in specific locations.

As a department, we are also putting a strong focus on crime prevention events throughout the community. We've now held two Crime Prevention Pop-Up events in the SE and SW where we hand out wheel locks, complete VIN etching on vehicles and provide helpful crime prevention tips. There will be two more events before the end of summer so stay tuned for more info!

We also held a bike path safety event this month to address concerns on city bike paths were residents could speak directly with officers about issues they have, and how to address them.

Coming up on August 17th from 6-8:00P.M. we hope you'll come out for a fun night at the Zoo to celebrate the State of the City. This is a great time to celebrate the many successes and future plans for our community. I hope to see you there!

-Chief Harold Medina

A big thanks to all those who provide us support on a regular basis, we so appreciate it.

Stay safe Albuquerque!

MEET OFFICER CORBIN WAQUIE

I have been with the Albuquerque Police Department since May of 2023 after being with the Valencia County Sheriff's Office since 2019.

Working with the department has provided me with more opportunity to grow as a law enforcement officer and explore the different paths you can take being with a bigger department.

I was born and raised in Albuquerque/Los Lunas.

In my free time I enjoy spending time with my family, and staying active in the gym. I also enjoy outdoor activities such as running, biking, and golfing.

My vision for Downtown is making it a safer/cleaner place for the community and also being able to help those people in need of the resources available.

My long term goal with the department is to eventually be able to join the K-9 Unit.
