LAW ENFORCEMENT APPRECIATION DAY JANUARY 9, 2021

National Law Enforcement Appreciation Day

"Happy Law Enforcement Appreciation Day to all our men and women in uniform, past, present and future.

Thank you for Serving and Protecting, God Bless!!"

The Downtown Community participated in a fun event together to collect, "MEANINGFUL WORDS".

An expression that they feel describes each officer and the downtown unit and put them together in a word cloud collage, having these mugs custom printed for each of our officer. This was a fun and meaningful way to show their appreciation to our Downtown Officers. Some people delivered coffee and treats to go along with the mugs, very appreciated!

~One Survey Response~

"We so appreciate their proactive and interactive policing style. Many of us they know by name, wave to us on the street, support our businesses, reach out a helping hand to those in our community and are always a friendly face to see out and about downtown."

COMMUNITY OUTREACH

Downtown Community School Collaborative.....

~Grab- N- Go~

Drive through homework diner was held at Longfellow Elementary School.

It is a night of family online activities and fun followed by a family- style meal.

Our officers are always happy to help join in to support these weekly community events by working together with the families.

They assist by passing out meals and small gifts bags put together from our substation admin at the drop off.

Everyone must be in their vehicles and are required to wear a mask.
