

**Neighborhood Watches are Booming in the Foothills Area Command!** The Foothills Area Command has 154 active Neighborhood Watch groups and we continue to add more of these 'extra eyes and ears on the block' watch groups every month. What's required?

A Starter Kit through Crime Prevention's Laura Kuehn (768-2006), hosting a facilitation meeting with your local Crime Prevention Specialist at a home on the block and having a Block Captain serve as a point of contact person for APD and your block's members.

Year to date, Foothills Area Command citizens have formed 18 new Neighborhood Watches. To help your block, overall community and local Foothills APD officers, consider forming a Neighborhood Watch today. Call Laura for your starter kit or Jill Garcia (768-2220) if you have questions about Neighborhood Watch.
