**Items** left in unattended vehicles that were stolen: Work tools, child's book, comic book, vehicle registration & insurance documents.

### **Quick Take-Away:**

As we move into the weekend, please remember that trailers and campers/RVs are also being targeted for auto burglary in the Foothills Area Command. Lock up - remember all access points (sliding windows in RVs, camper shells, etc.) and secure them. Remove all items from vehicles including things you may deem to be insignificant and anything with your personal information. Don't forget to bring garage door openers, keys, fobs, etc. in with you when you park.

Be safe,
