I hope everyone is adjusting to the weather cooling down. As we finish up the New Mexico State Fair, as an Area Command we are preparing for the International Balloon Fiesta, which should be an exciting one.

I would like everyone to know that for the next couple months we will be bringing more law enforcement resources to the Southeast Area Command. Again, a continued effort to reduce shootings and violent crime, focusing on the Central Ave. corridor, and the neighborhoods to the north and south of Central Ave.

As the weather cools down, it is that time of year where we see auto theft warm-ups increase. Please be vigilant and take the precautions to keep your vehicles from being stolen. We will be increasing our patrols in the neighborhoods and proactively looking for prolific auto theft offenders.

I encourage all of our businesses, please continue to report your crime. Whether if it is trespassing or vandalism, please make a report online or over the phone, so we have a more accurate picture of where the crime is occurring so we can best allocate and deploy our officers and crime prevention resources, in an effort to stop/reduce crime.

Message from Chief Medina

Hello Albuquerque! It's my favorite time of year, as football season is upon us! This time of year also comes with back to school and I'm sure many parents are getting back into the swing of things.

We are doing a lot of work getting involved with the school district and helping provide additional ways for students, faculty and parents to report. We hope to have more information on this soon that we will be sure to share with the community.

I would also like to acknowledge, our department has had a challenging month as we lost an officer from our agency. Officer Bianca Quintana had been with APD for two years and worked out of the Foothills Area Command. Bianca was a mother to two boys, a wife, daughter, and sister and we are doing everything we can to support her family during this time.

Bianca's funeral services have been set for September 9, at 10:30a.m. at Legacy Church, located at 7201 Central Avenue N.W. The family welcomes the community to honor her, during a celebration of life.

As for our crime fighting efforts, we continue to have an increased presence of officers downtown on Friday and Saturday nights. We know this area is of concern and we have made it a priority.

**ROBBERY
DOWN 50%
SINCE 2018**

We recently announced robberies are down 50% since 2018 and this goes to show the progress we are making as a department in terms of tackling crime.

We have a robust DIVRT team made up of mostly civilian staff members focused on retrieving video surveillance footage and other digital evidence that assists sworn personnel in their investigations.

By having this civilian team, it frees up time for officers and detectives to focus on their caseloads. Crime Stoppers, APD's detective academy, and internal information sharing amongst divisions have had the strongest impact in identifying and charging repeat or violent offenders, such as those committing robberies.

And to kick off the month, we have an exciting community event coming up. This will be a largescale Coffee with a Cop event partnering with the Dunkin' Community Cruiser. The event will be held on September 10, at the University Substation from 8-11:00a.m., and there will be FREE coffee and donuts.

We hope to see you there!

Thank you for your continued support!

-Chief Harold Medina

Child Safety

Teach children to be safe at home and while out. “Stranger Danger” can be a difficult concept to grasp as children encounter strangers daily; a better approach is to teach children about good “friends” or “helpers” who assist during emergencies such as: ***Teachers, Police Officers, Firefighters, Doctors and Paramedics.***

General Safety Tips

Children should know their full name, address and phone number.
Teach children that adults should not ask children for help, adults ask other adults for help.
Do not drop off children at shopping malls, movie theaters or parks for unsupervised time.
Never leave children unattended in vehicles.
Tell children it is ok to say “NO” to someone they don’t know or someone who is making them feel uncomfortable.
Tell children which neighbors they may visit.
Teach and reinforce the “buddy system.”
Know their friends and friends’ parents.

Safety at Home

Post rules where children can see them.
Choose babysitters carefully. Check references and listen to feedback from the children.
Teach children how to lock the door and never let anyone in or let anyone know they are home alone.

- Instruct your children to check in with a trusted neighbor or call you as soon as they get home.
- Make sure they know how to call 911 in case of an emergency and post other important numbers.
Establish rules about having friends over or going somewhere without your permission.
Set and enforce limits and boundaries.
Foster good communication.

If Your Child is Missing

Information 911 Needs: Child’s name, date of birth, height, weight, unique identifiers – braces, glasses, birth marks, scars, clothing description. Provide a current photo to Officers.
