We are in the middle of summer and I hope everyone is doing well. I would like to thank our community for voicing their concerns and identifying criminal activity. This really does help to determine where to allocate police resources to be effective and make a difference in reducing our crime.

I'd like to highlight a couple successful operations that we are currently conducting. We recognized that our city transportation could be safer. We focused resources on the city buses and city bus stops. This operation will be going throughout the month and we were successful in seizing drugs, making numerous felony arrests, and clearing numerous felony warrants.

Our Central Ave. Corridor operation is yielding successful results as well. By focusing at San Pedro Dr up to Louisiana Blvd, and the alley to the south, we have seen a reduction in shootings as well as hoping to clear the area of the high volume of loitering, criminal trespass, and narcotics activity. It's usually these activities that lead to aggravated assaults and robberies. The alley in this area is currently being fenced/gated off and resources for living and treatment are being offered numerous times a week to the less fortunate.

Your officers are working extremely hard balancing the proactive operations we are conducting with calls for service, and providing exceptional community engagement.

Lastly the Phil Chacon Memorial Substation is still on track to be completed in the fall, where will be re-opening to the community.

Please stay safe and enjoy the rest of the Summer.

Message from Chief Medina

Hope everyone is enjoying their summer with some needed time off with family and friends. We have already had a busy summer and have some key areas we are focusing on.

We have put extra resources into Downtown safety as more people are out and about in the warmer months. The Horse Mounted Unit are doing weekly patrols during business hours checking on the businesses and unhoused individuals in the area.

HMU along with other specialty units are also adding increased presence Downtown on Friday and Saturday nights.

APD Junior Police Academy

We have also had a busy few months with our summer

camp. We had two successful Camp Fearless with three more getting ready to start and our 2024 Junior Police Academy just wrapped up. Congratulations to all the graduates!

APD also is partnering with Albuquerque Metro Crime Stoppers this summer in an effort to make crime prevention information accessible through our Crime Prevention Pop-Ups. The first event was held in late June and 51 cars were

equipped with VIN etched and 30 received free wheel locks.

I would also like to acknowledge and thank our community for the tremendous outpouring of support we received through APD's Donation Drive for those impacted by the Ruidoso fires. Our state has rallied behind the Ruidoso community and through our donation drive, our staff was able to fill two 30-foot trailers with items like bedding, hygiene products, sports drinks, water and so much more. We are so grateful for all the items donated by our community.

We even were able to bring back donations that were past the scope of donations for the collection site in Roswell and our crew in addition to eight of our pre-hires brought them to locations charities and shelters for individuals in need in our area.

Our city always shows up in times of need and this was a true testament of what our community is capable of.

I hope everyone has a safe and happy summer, and thank you for your continued support.

-Chief Harold Medina
