Message from the Commander

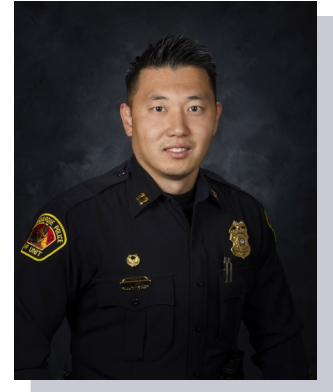

By Luke C. Languit, Commander, Phil Chacon Memorial Substation

I hope everyone is enjoying the cooler mornings and is planning to attend the Balloon Fiesta. As a department we are working hard with our public safety partners to do everything we can and utilize every resource to stop crime from occurring at our lodging facilities and around our city so everyone can have a safe and fun Balloon Fiesta.

With the weather cooling down, we have always seen auto theft warm ups on the rise. So I am urging everyone to be aware when you warm your vehicles up in the morning. Unfortunately there is a criminal element that roams our neighborhoods looking for these vehicle warm up opportunity to commit auto thefts.

I would like to recognize the Community Safety Department's community event at Roosevelt Park. The National Day of Remembrance of Murder Victims, this community event was successful and I was proud to see the turnout from our community and community leaders.

As always, your officers are working extremely hard, balancing calls for service, proactive policing to reduce crime, and community engagement. I urge you to stop and thank them when you see them. The construction on the Phil Chacon Memorial Substation is moving along and we hope to have the second phase of this build completed this time next year.

As September comes to a close officers in the University Area Command have been working very hard in preparation for Albuquerque International Balloon Fiesta beginning October 5 through October 15. Listed is a chart of activity from University Area Command officers for the month of September:

However, our city suffered a great loss on September 6, 2023 when a 10 year old male, Froylan Villegas, was leaving the Albuquerque Isotopes game and was tragically shot and killed. Details are limited but the incident began when two rival gangs noticed each other in an Isotopes baseball game (there was no confrontation inside Isotopes Park). The groups left the game when the offender group noticed a white Dodge truck leaving west on Avenida Caesar Chavez. The offender group began shooting at the white Dodge thinking the truck contained rival gang members. Tragically, the vehicle contained a family leaving the game and two innocent people were struck by gunfire, killing the Froylan.

Albuquerque Police Department Homicide detectives responded to the scene and within hours began to unravel the incident and identified three people they believe were responsible for the murder of Froylan. Thankfully, detectives were able to arrest the group as they traveled back into New Mexico with a significant amount of Fentanyl in their possession.

The City of Albuquerque suffered a great loss in the death of Froylan, but those who acted to shoot and kill Froylan have been arrested and will face justice for their actions.

There cannot be enough said for the tireless work Albuquerque Police Department Homicide detectives, who worked to bring justice to Froylan’s family and ease the minds of people throughout Albuquerque who were heartbroken by this senseless act.

Shootings with injuries remain high in the area command due to the data point created when individuals are dropped off at University of New Mexico Hospital and Presbyterian Hospital downtown, which are both in the area command.

In closing, I would like to thank you all for the opportunity to serve the City of Albuquerque and the University Area Command. Look out for criminal activity in your area, if you see something say something.

Thank you, Ray

Help me clean up graffiti in our community and download the "ABQ 311" App. It's easy, if you see graffiti in our community stop in a safe area and take a photo. Pin your location and give a brief description of what and where the graffiti is located so our city employees can easily respond for clean-up.

Albuquerque Metro Crime Stoppers is a community program that relies on anonymous tips to solve crimes and to locate fugitives from justice. Without anonymity of callers, the program cannot be effective.

Crime Stoppers pays rewards only for anonymous tips. Tipsters who identify themselves are not eligible for a reward.

Crime Stoppers has sole discretion to decide the amount of any reward to be paid, from zero to \$1,000.

Crime Stoppers will pay rewards only for tips given directly to it. Any tip given to another source, such as law enforcement, will not be eligible for a Crime Stoppers reward.

Crime Stoppers does not pay rewards to any person who has a legal duty to assist in the arrest of suspects and fugitives.

Felony Gun Crime + Arrest = Up to a \$1,000 CASH REWARD

NATIONAL DAY OF REMEMBRANCE FOR MURDER VICTIMS SEPTEMBER 24, 2023

3rd Annual Bennie Hargrove Giving Tree!

The **Bennie Hargrove Giving Tree** started in 2020 and it's our way of helping give back to families who have been victim to violent crimes.

The giving tree is to honor **Bennie Hargrove**, a young brave boy who was taken too soon. Bennie was shot and killed at Washington Middle School while defending a classmate.

We ask the detectives at CID to each nominate one family that they believe could really benefit from some extra love and support during a hard holiday season. 10 families total will be selected that includes the immediate family which could often times be multiple kids within the home, all 18 years old or younger.

This year, we will be doing things a little differently and we will be hosting an event for the chosen families to come out to and enjoy food, games, gifts, food basket and Santa of course! The event will take place **December 22, 2023** if you'd also like to show support. 😊

We would like to keep it easy with gift cards:

Walmart, Smith's, Amazon, Target, Visa or food gift cards for places out to eat or entertainment.

No cash will be accepted .

Your donation can be dropped off at the:

[Triangle Substation at 2901 Central Ave NE.](#)

[University Substation at 1009 Bradbury Dr SE](#)

The deadline for all donations will be **December 1** that way we ensure we have enough time to organize!
