I hope everyone had a chance to make it out to Balloon Fiesta, and were able to enjoy the mass ascensions and the balloon glows.

As I mentioned last month, we will be continuing to bring in more law enforcement resources to the Southeast Area Command.

Again, a continued effort to reduce shootings and violent crime, cleanup encampments and stopping quality of life violations, and stopping the open air drug use along the Central Ave. corridor, and the neighborhoods to the north and south of Central Ave.

Again please take into consideration as the weather cools down, it is that time of year where we see auto theft warm-ups increase. Please be vigilant and take the precautions to keep your vehicles from being stolen. We will be increasing our patrols in the neighborhoods and proactively looking for prolific auto theft offenders.

Lastly the Phil Chacon Memorial Substation is on track to be completed December and/or January timeframe, where will be re-opening to the community.

As always, your officers are working extremely hard, balancing calls for service, proactive policing to reduce crime, and community engagement. I urge you to stop and thank them when you see them.

Message from Chief Medina

Hello Albuquerque! The fall season is upon us and Balloon Fiesta is right around the corner. We have plans in place to help keep the park safe as well as all those attend both near and far.

I hear there are some new balloons this year as well as improvements to the park itself, so I hope everyone takes some time to get out and enjoy our city's largest event.

I would like to share more about an announcement regarding Campus Crime Stoppers getting back into the school system. Our Crime Stoppers Liaison was a driving force in getting this partnership with APS back up and running, and we are grateful for the district allowing students to have a tool at their fingertips to be able to report crime anonymously.

Students are able to report either on the website at p3tips.com or they can also text "ABQCS" to 738477. More on this announcement will be coming soon!

We recently announced some promising news over our efforts on shoplifting across our city, specifically the Northeast and Northwest Area Commands as they are home to our largest shopping districts.

APD Proactive Response Team officers in the Northeast and Northwest Area commands have shifted focus to property crimes, specifically shoplifting, in the areas of Cottonwood Mall, Coronado Shopping Center and Uptown. APD has seen a decrease in citywide shoplifting from 884 reported incidents in January 2024 compared to 444 incidents in August 2024.

PRT officers and Organized Crime Unit detectives have worked joint operations in the busier shopping districts, identifying and arresting repeat known offenders. Business owners throughout the city are encouraged to join the Albuquerque Retail Assets Protection Association (ARAPA) to connect with local law enforcement and share trends, help identify repeat offenders and build lines of communication. Businesses can register [here](#).

As always, thank you for your continued support!

Chief Harold Medina
