

Regulated. Safe. Clean.

AN INTRODUCTION TO ABQ'S SAFE OUTDOOR SPACES

What It Is

A Safe Outdoor Space is a secure, supervised area with organized spaces for people experiencing homelessness to legally and temporarily camp in tents or vehicles at no charge. ABQ Safe Outdoor Spaces are modeled on successful facilities in other communities.

What It Is Not

- ▶ Unsanctioned, unregulated camping
- ▶ Camping on sidewalks, City parks, or other public and private spaces
- ▶ Areas where crime or illicit activity is allowed
- ▶ Encampments where sanitary and social services are unavailable
- ▶ A permanent space for unhoused to reside or a replacement for long-term housing
